

Montana Archaeological Society

February 2026

Dear Community Member/Business Owner:

On behalf of the Montana Archaeological Society, I am writing to invite you to support our upcoming fundraising event (April 10, 11, 12, 2026) by donating an item or experience for our live and silent auction.

The Montana Archaeological Society is a nonprofit organization dedicated to the preservation, interpretation, and public education of Montana's rich archaeological heritage. Funds raised through this event directly support educational programs, site preservation efforts, student scholarships, and outreach initiatives that benefit communities across the state.

Auction donations may include merchandise, gift certificates, services, experiences, artwork, or unique items that showcase your business or interests. All donors will be acknowledged during the event and in our promotional materials, and your contribution will help make this fundraiser a meaningful success.

The Montana Archaeological Society is a registered nonprofit organization.

All donations are tax-deductible to the extent allowed by law. A donation receipt can be provided upon request.

We would be honored to include your donation in our auction and to recognize your generosity. Thank you for considering support of Montana's archaeological heritage and the work we do to protect and share it.

Please feel free to contact us with any questions or to arrange delivery of your donation.

With sincere appreciation,

Sydney Bacon
